

12-0200

Battery Reset Tool

 ASSOCIATED

SOFTWARE UPDATE CERTIFICATE

This certificate, when purchased from an authorized distributor, and with proper tool activation using the update suite, extends the software license for the 12-200 Battery Reset Tool for one year.

See back side for instructions on how to use this certificate.

Part # **12-0200SU**

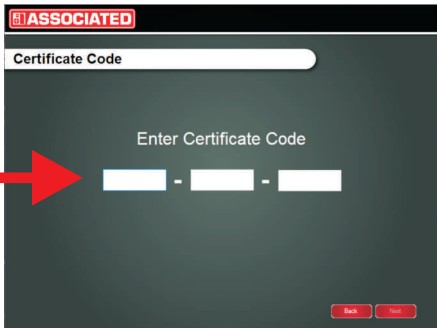

12-0200

Battery Reset Tool

To use this certificate:

- 1). Launch the 12-200 Update Suite
- 2). Connect your 12-200 to the PC
- 3). Click on "Activate Certificate"
- 4). Enter the certificate code exactly as it is shown below

A large, empty white rectangular box with a thin black border, intended for displaying the certificate code.
