12V Battery & Electrical System Analyzer  
24V Starter & Alternator System Analyzer  
with integrated Thermal Printer

12V Battery Testing coverage for:  
SLA, AGM, EFB, Gel Cell & Li-Ion

Also allows for 12 & 24V  
Alternator, Starter, and Ground  
System Testing

# 12-2415

## 12V Battery & Electrical System Analyzer 24V Starter & Alternator System Analyzer with integrated Thermal Printer

### Specifications:

| Model Number   | 12-2415 Graphical Tester with Printer   |
|--|---|
| Operating Voltage  | 9V-36V DC (Max)   |
| Analyzing Capacity - CCA   | Automotive 12V: 100-2000A<br>Motorcycle 12V: 40-600A  |
| Battery Analysis Time  | Approximately 8 seconds   |
| Internal Memory Storage  | Stores up to 70 Test Results  |
| Replaceable DC Lead Length   | 64" with Clamps   |
| Weight   | 7 LBS.  |
| Warranty   | 1 Year  |
| Dimensions   | 18.25"x13.25"x5.5"  |
| <b>Optional Barcode Scanner:</b><br> | <b>Model 12-2416</b><br>Sold separately. Scan barcodes on batteries to link battery test to vehicle battery |

### Features:

- Fully graphical display solves language barrier issues.
- Multi-function testing of battery, starter, alternator, & vehicle ground continuity.
- Test 12V batteries and electrical systems (including ripple diode test and vehicle ground continuity)
- Test 24V starter and alternator systems.
- Reverse polarity protected (if reverse hookup, will NOT turn on)
- Integrated thermal printer for direct print out of result after each test and customizable header on printout.
- Key-in particulars for battery model, vehicle plate, customer name to be printed on test results.
- Internal memory storage of up to 70 tests allowing multi-vehicle testing.
- Test wide range of batteries including SLA - WET, AGM (Spiral or Flat Plate), EFB, GEL & Li-ion.
- Multiple rating system compatible (CCA/SAE, CA/MCA, DIN, EN1, EN2, IEC, JIS#)
- PC Link – connect laptop/computer via USB cable for printout.
- Durable blow molded carry case for tester, scanner, paper
- Optional barcode scanner (12-2416) to scan battery barcodes for battery warranty claim purposes (SOLD SEPARATELY)
- CE & RoHS Compliant
